- **Do you have your future career plan all figured out? Or perhaps you think you know what you want to do? Or maybe you have no idea what to do after graduation? That's OK! On October 17, you can get the opportunity to shadow a career professional in a career of interest to you during the annual Job Shadow Day!**

If you're interested, applications are now available in the College and Career Center! You better hurry because applications are on a first come, first served basis and spots are limited!

- **Tutoring Available!**
Are you struggling with any of your classes? The Parents Club offers a Peer Tutoring Program where students can receive help from a peer tutor in the subject(s) they are struggling with. Tutors are now available to help in Eng. French, History, Math, Science, and Spanish. Applications available in the Library.
- **Attention Sophomores, Juniors, and Seniors with a commitment to academic excellence and community involvement. Learn more about CSF on September 20 in room 406 during lunch for more information about how to join CSF and receive an application.**
