- ❖ Attention AP students- You need to go into your college board account by October 8th and selection whether you are taking the AP exam or not. You should have filled out your Student Benefit form by now as well. This will determine if you receive a coupon code for a free exam. You can find this form as well as all payment info on the school website under Students and Testing or Parents and Testing. Payment deadline is October 31.

- ❖ The last Start Smart opportunity to become eligible for a parking permit will be on October 5th, from 6 PM - 8PM in the MPR. Students who do not have a valid parking permit by October 18th will not be allowed to park in the student parking lot.
- ❖ SPHS is seeking 2 Student School Site Council Members to work with the school, teachers and the community to determine how school funds are spent. This is a great opportunity for students to get involved, build up their resumes, and obtain community service hours.

Student School Site Council Members will attend six, 1-hour after school meetings that take place once a month, usually on a Wednesday, in the SPHS library.

Any students interested in serving as a School Site Council Member should see Mr. Myers in the AP Office to get their names on the ballot for Friday's election during nutrition break.
